Komplementärmedizin: Wechselwirkungen

Wechselwirkungen in Studien "in vivo" (also an Mensch oder Tier) nachgewiesen In Studien keine Wechselwirkungen nachgewiesen Wechselwirkungen in Studien "in vitro" (also im Reagenzglas) nachgewiesen Bisher keine Studiendaten, aber sehr unwahrscheinlich Bisher keine Studiendaten

| Naturprodukt | | | | | | | | | 5 | | | 9 | 7 | | | N. W. | |
|--------------------|-----------|-----------|-----------|--------|--------|---------|------------|------------|------------|---------|-----------|---------|---------------|--------------|---------|-------------------------|--|
| Wirkstoff | Aloe Vera | Chiasamen | Echinacea | Ingwer | Gingko | Ginseng | Gojibeeren | Grapefruit | Grüner Tee | Kamille | Knoblauch | Kurkuma | Johanniskraut | Mariendistel | Rotklee | Trauben- silberkerze | |
| Abemaciclib | | | | | | | | | | | | | | | | | |
| Alpelisib | | | | | | | | | | | | | | | | | |
| Anastrozol | | | | | | | | | | | | | | | | | |
| Atezolizumab | | | | | | | | | | | | | | | | | |
| Bevacizumab | | | | | | | | | | | | | | | | | |
| Carboplatin | | | | | | | | | | | | | | | | | |
| Cisplatin | | | | | | | | | | | | | | | | | |
| Capecitabin | | | | | | | | | | | | | | | | | |
| Cyclophosphamid | | | | | | | | | | | | | | | | | |
| Denosumab | | | | | | | | | | | | | | | | | |
| Docetaxel | | | | | | | | | | | | | | | | | |
| Doxorubicin | | | | | | | | | | | | | | | | | |
| Epirubicin | | | | | | | | | | | | | | | | | |
| Eribulin | | | | | | | | | | | | | | | | | |
| Everolimus | | | | | | | | | | | | | | | | | |
| Exemestan | | | | | | | | | | | | | | | | | |
| Fluorouracil (5FU) | | | | | | | | | | | | | | | | | |
| Fulvestrant | | | | | | | | | | | | | | | | | |
| Gemcitabin | | | | | | | | | | | | | | | | | |
| Goserelin | | | | | | | | | | | | | | | | | |
| Lapatinib | | | | | | | | | | | | | | | | | |
| Letrozol | | | | | | | | | | | | | | | | | |
| Methotrexat | | | | | | | | | | | | | | | | | |
| Neratinib | | | | | | | | | | | | | | | | | |
| Olaparib | | | | | | | | | | | | | | | | | |
| Paclitaxel | | | | | | | | | | | | | | | | | |
| Palbociclib | | | | | | | | | | | | | | | | | |
| Pembrolizumab | | | | | | | | | | | | | | | | | |
| Pertuzumab | | | | | | | | | | | | | | | | | |
| Ribociclib | | | | | | | | | | | | | | | | | |
| Talazoparib | | | | | | | | | | | | | | | | | |
| Tamoxifen | | | | | | | | | | | | | | | | | |
| Trastuzumab | | | | | | | | | | | | | | | | | |
| T-DM1 | | | | | | | | | | | | | | | | | |
| Vinorelbin | | | | | | | | | | | | | | | | | |
| Zoledronsäure | | | | | | | | | | | | | | | | | |
